

Draft Heat policy: All Programs

Outdoor Skate Park with shade OR Indoor Skate Park with A/C or fans

- No cancellation
- Additional breaks for shade & water with a slower pace of camp

Outdoor Skate Park without shade OR Indoor Skate Park without A/C or fans

- Program is canceled if temperature is over 95 degrees

If the temperature is falling right around 95 degrees, the local Director can opt to run the program.

Parents/skaters can opt out for the camp day/class and receive a prorated program credit/refund equal to the value of what programming was missed.
